

San Francisco Business Times

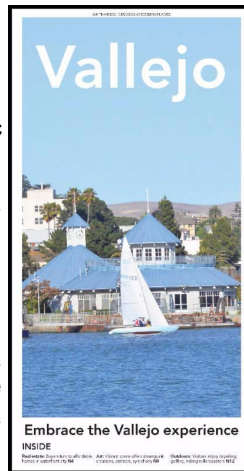

On September 29th, Vallejo was featured in a 24-page spread in the San Francisco Business Times highlighting the different industry sectors that contribute to our unique economy, the transformation of Mare Island as well as the city's current real estate and development opportunities. View the digital version [here](#).

San Francisco Chronicle

Last month Vallejo was featured in a special 12-page spread in the San Francisco Chronicle's travel section highlighting the city's historic downtown; booming housing market; local breweries, wineries and distilleries; as well as other aspects of Vallejo's tourism, recreation, entertainment, and quality of life. View the digital version [here](#).

The City has already received a number of inquiries from prospective partners and interested parties as a result of the two publications as well as community support.

Quarterly Summary of Development Activity

Every quarter, the Economic Development Division publishes a summary of development activity of major development and investment projects occurring in Vallejo. The latest summary, for the period ending October 31, 2017, can be viewed [here](#) with a link to an [interactive map](#). It provides information on the **27 significant projects completed** in the past 12 months, as well as the **59 projects currently underway**, with a mix of new residential and commercial construction and tenant improvements or rehabilitation.

Choose Vallejo Video

Hear first-hand from a few of our community stakeholders in the first of our video series: Choose Vallejo.
